### Effects of 2-month dietary therapy on periodontal status

- **Bifodobacterium longum-fermented broccoli supernatant inhibited the growth of candida albicans and some pathogenic bacteria in vitro**
  - Publisher: Biocontrol Science
  - Year: 2008

- **Serum cholesterol-lowering effects of a broccoli and cabbage mixture in rats: Comparison with spinach, celery, carrot and tomato**
  - Publisher: 232nd American Chemical Society meeting, Agricultural & Food Chemistry Division
  - Year: 2006.9

- **Serum LDL-cholesterol-lowering effects of a mixed green vegetable and fruit beverage containing broccoli and cabbage in human**
  - Publisher: 232nd American Chemical Society meeting, Agricultural & Food Chemistry Division
  - Year: 2006.9
